Sister Joan Chittister

"The Time is Now". A Call to Action

How does Christian faith connect with the contemporary world?

What are the implications now of being Christian?

In this address, '*The Time is Now*', Sr Joan Chittister calls on listeners to become modern day prophets, to confront the power-hungry institutions and systems of the world, and to move toward a world of justice, freedom, peace and empowerment.

Sr Joan Chittister is an American Benedictine nun, theologian, author and speaker. She has written more than 50 books and received numerous awards for her work on behalf of peace, and of women in church and in society.

Her context is the Catholic Church and society in America, but her words have resonance in Australia also. She spoke to a packed Melbourne Town Hall earlier this year.
